for fair chances

Our Charity

Humankind has been supporting some of the most vulnerable and socially excluded people across England for over 35 years and we continue to offer a unique range of services to help people access the opportunities and chances in life which most of us take for granted.

Our Vision

Our vision is for people of all ages to be safe, building ambitions for the future and reaching towards their full potential.

Our Mission

Humankind creates services and support to meet people's complex health and social needs, helping them to build healthier lives that have meaning and value for themselves and their families. We support local people to create stronger, better-connected communities.

Our fundraising events raise crucial awareness of social issues as well as vital funding.

Whether it be via your University's Fundraising or RAG Committee, being sponsored as an individual fundraiser for us or becoming a Humankind Fundraising Volunteer, your support will do something amazing for the people who need help the most.

Raise and Give ("RAG") Committees

If you are already a member of your University's or Students' Union's RAG or Charity Fundraising Committee, consider suggesting Humankind as one of the University's "Charities of Choice". Get in touch with Humankind's Fundraising Team at fundraising@humankindcharity.org.uk to find out more about how we could support your University's RAG or Fundraising Week, hold a stall or provide resources at Fresher's Week or support with the organisation of fundraising events.

If you are not yet a member, speak to your University's RAG Committee or Students' Union about getting involved in fundraising. It's a fantastic way to develop your own skills and experience whilst having a meaningful and positive impact on the most vulnerable people in your community.

Sponsorship

If you're taking part in any local or national sponsored sporting events, please consider doing so on behalf of Humankind. Your fundraising support would make such a difference to so many people, from young people who are at risk of offending, people working to overcome their addictions, people who need support to live independently, or people who need support to avoid homelessness. For more information and a sponsorship pack, please contact fundraising@humankindcharity.org.uk

Last year, we supported 76,000 people. That's 1,461 people per week, or 6,333 per month.

Fundraising Volunteers

If you're looking to make a longer-term commitment to Humankind's fundraising, or you're looking to build your experience or share your skills in helping to develop Humankind's fundraising activity, we would love to hear from you!

We have services and Regional Offices all over the country and flexible working to effectively communicate with people who are supporting our work nationally. For more information about Humankind's work and services, please visit humankindcharity.org.uk.

Contact our Fundraising Team at fundraising@humankindcharity.org.uk or **01325 73 11 60** for an informal discussion about volunteer fundraising opportunities with Humankind.

Join us in our mission to reduce inequalities and work towards fair chances for all.

We know that you're interested in supporting Humankind because, like us, you want to see a positive change towards a fairer society. But supporting a charity can be great for you too!

What student fundraising can do for you

- **Fulfilment** - raising money for a good cause is always a great feeling. You can make a real difference and have a lot of fun at the same time!
- **Meeting people** - working towards a common cause has a great way of bringing people together. You're bound to meet new people when you get involved in a fundraising activity, whether that's people from other courses or from other walks of life!
- **Developing skills** - charities are businesses just like any other, and getting involved in Humankind's fundraising initiatives can give you valuable interpersonal, business and creative skills which will make you stand out from the crowd.
- **Positions of responsibility** - if you are a member of a RAG or Fundraising committee, or undertake a volunteering or work placement with Humankind, you will be given essential experience and responsibilities which can help you to get ahead in the job market.
- **Job opportunities** - Humankind can offer a wide range of voluntary roles and work placements, as well as highly competitive paid roles for graduates.
- **Networking** - through our fundraising and business development functions as well as our community service delivery, Humankind maintains strong relationships with a broad range of corporate and professional partners across public, private and not-for-profit sectors.
- **Maximising impact** - if you're a RAG or Fundraising Committee Member, we can work together with your Committee to help your fundraising plan have maximum impact, whether that be through providing resources or supporting with strategic planning.

Contact fundraising@humankindcharity.org.uk to find out more.
